

-Dear Ushers-

Thank you for sharing in an important part of our ministry. Ushering may not seem very important, but to someone, a friendly “Hello” or a “Good Morning” may make the day seem brighter.

A few reminders – try to get here about 15 minutes prior to the service. Encourage individuals and families to keep the bulletin and bring it home ... this is why we have them. Please pick up any extra bulletins that may be lying in the sanctuary after each service. When there is a baptism, bring the baptismal font back to the entry-way after the baptism is done. On Communion Sundays, do your best to keep an even flow of folks going up and back from the altar.

If you cannot make a date that you have been scheduled for, please try and switch with someone and let us know of the change. Or you may call the church office, 708-448-2939, to let them know and we’ll do our best to get a replacement.

Thanks for all you do!....your humble staff----Debbie Facius, Kathy Janik, & “The Rev”
